

Orange Belt Research Project:

Myeng Ye

The following project is due before you test for Green Belt. The your project design must be approved before you may receive your second stripe and the project completed before you may earned your third stripe. Please submit your completed project to sabumnim@traditionalmartialartsacademy.com.

1. Give a dictionary-style definition for Myeng Ye.
2. Give a more personal description of Myeng Ye, making specific reference to experiences and circumstances in your life.
3. Design, implement and write a report on a project that studies the meaning and application of Myeng Ye in your life. You must get approval for your idea before beginning the project.
4. In your report, describe what you learned from the experience. What went well and what did not? How did your project change your understanding of Myeng Ye?
